

DANCE WITH THE RHYTHM OF NATURE ACROSTIC POEM

for eTwinning(Common)

Discover the beauty of Nature,

And all the livings on Earth.

Nothing stops them, nothing stops them,

Colors of the day come between the dawns.

Eternal is with us.

Working for Nature,

Is a must and

The priority of

Humanbeing.

Talk to animals,

Hear the sound of leaves,

Explore the environment.

Rabbit , turtle, lion protect them all,

Have all animals.

Yesterdays state of nature,

Task has been

Happiness in living.

Make no mistake to your own home,

Our most important thing is this World

Find the way of being soft.

Never give up,

Always recycle things.

Through the trees in woods,

Unite with joy and peace.

Reduce pollution

Everything is for us.
